

STRATFORD PRIMARY SCHOOL
THE SPORTS PREMIUM
September 2016

This report outlines how our school has planned to spend the Sports Premium allocation in 2016-17. It also outlines our key principles and reasons for spending the Sports Premium the way we do.

Our Principles and Objectives

The Sports Premium was introduced to fund improvements to the provision of PE and sport, for the benefit of primary-aged pupils so that they develop healthy lifestyles. It is allocated to schools to work with all pupils.

Schools are free to spend the Sports Premium as they see fit, however our approach and vision for our pupils is to ensure that all are offered 'rich opportunities and memorable experiences' and that those from poorer socio-economic backgrounds do not suffer barriers which hamper their progress and attainment.

Our decisions on how best to use the Sports Premium are based on the findings of high quality research and publications, as well as OFSTED's own 'best practice' guides. These have supported our decision on expenditure over the best and most effective use of our Sport Premium Funding.

We believe that:

- All of our children should and will benefit from the teaching and learning opportunities that Sport Premium funding provides
- Appropriate provision is made for all pupils belonging to vulnerable groups, including those who are from socially and economically disadvantaged groups.
- Sport Premium spending should be allocated following a needs analysis which identifies children with priority needs.
- Our Sport Premium funding should be spent in a wide and imaginative variety of ways, so as to benefit the wide variety of interests and needs of our children.
- Our Sports Premium funding should be spent according to 'best value principles' and related to activities which research suggests will make the very best use of the finances available.
- Whilst there are some 'quick wins', there is a need to also take a 'long term view' to stop achievement gaps from widening. Some of our long term objectives will take more than an academic year to come to fruition.

Our Sport Premium Funding

Total number of pupils on roll:	202
Total amount of Sports Premium Grant per pupil:	£5
Total amount of Sport Premium Grant:	£8940

Our Targeted Areas

In order to improve the progress and outcomes for Sports Premium pupils we aim to:

- Raise attainment and progress in PE
- Increase participation in PE through a wide range of quality provision
- Ensure all staff have access to high quality professional development which will result in an improvement in the teaching and learning of PE skills
- Enable all pupils to participate in and lead a range of competitive sports and outdoor activities.
- Create a challenging environment that will enable every child to fulfil their potential

Nature of Support 2016 – 2017

Record of Sport Premium Grant Spending by item/project 2016/17

Item/Project/Action	Objectives	Cost	Expected Outcomes
To improve teaching and learning in PE lessons
