

### Develop your creativity:

- Design your own boat. What materials will it be made from? What shape will your boat be? What name will you give it?
- Design a postcard for a place you have visited. Then write about your journey to that place.
- Create a map of your home and local area. Where would be a good place to hide treasure? Plot a route from your home to the treasure.
- Make a pirate treasure chest using a lidded box and other recycled materials. What will you keep in your treasure chest?
- Design and make a costume for a pirate puppet. Label your drawing with why you chose that design.

# Discover, Explore, Project Theme Homework

This half term's DEPTH is:

**Land Ahoy**

Hand in: Monday 21<sup>st</sup> May

Children should complete 1 or 2 pieces of depth work.  
Children will present their work to the class where they can be awarded up to 10 stars in total.

### Explore your research and writing skills:

- Search the web or non-fiction books to find out about a famous boat or ship. Make an information book by writing down interesting facts and including images or drawings. Famous ships could be *RMS Titanic*, *Santa Maria*, *Cutty Sark*, *HMS Belfast*
- Look at holiday brochures or travel website. Find out which seas or oceans are close to each destination. Locate them on a map. Find out what the weather is like and when it the best time to visit. How is it different from home? Report your findings to the class.

### Build on your investigation skills:

- Use sticks, straws, pipe cleaners, sticky tape and string to make a raft. How well does it float? What changes could you make for it to float better? Can it float with any extra weight added to it?
- Pick a country far away to travel to. What suitable clothing and items would you need to pack for your expedition and why?
