

Explore your creativity:

- Choose and make a 3D Stone Age home. Remember that there are different types of homes as people developed their skills.
- Make Stone Age themed cakes or biscuits.
- Create a cave style painting.

Develop your writing skills:

- Create an advert for a job in the Stone Age times. What techniques could you use to persuade prospective employees?
- Create a project dictionary that explains key Stone Age vocabulary in your own words.

Discover, Explore, Project Theme Homework

This half term's DEPTH is:

Stone Age

Hand in: Monday 26th March

Choose 2 projects to achieve at least 10 Depth points. Each piece of work is worth 5 points.
DEPTH points will convert to Star Points.
Tick off what you have completed to achieve your points.

Extend your research skills:

- Research a particular area of the Stone Age e.g. clothing, homes etc. and create a booklet. Make sure that you include:
 - A title page
 - At least 3 different sides containing different information
 - Images

Get curious:

- Get a book about the Stone Age e.g. Horrible Histories and, in your own words, write facts about information that you have found interesting. Present this however you wish!
