The Stratford Standard

Highlights from the Deputy Head's desk...

Well, we finally made it to the end of the Spring term and the sun has certainly been shining for us this week. Everything feels so much more positive when the sun shines! The children have had a busy week consolidating their learning for the term but a particular highlight this week for me has been seeing all the children taking part in their Relax Kids lessons with Miss Honey. From Reception to Year 6, the children have been learning about the different parts of the brain this week and are definitely benefiting from learning a range of strategies and techniques to help them regulate their emotions. It's so lovely to hear the children starting to talk really knowledgeably about their brain animals and apply their learning to real life situations. Mindfulness has become a vital part of our curriculum for both children and adults alike. Why don't you find some time over the Easter holidays to stop and reflect. You could start with a simple kindness meditation—offering good wishes and compassion to others. I hope you all have a very lovely Easter and we all look forward to seeing you all again at the start of the summer term.

REMEMBER:

EASTER HOLIDAYS - Friday 2nd April to Sunday 18th April, school reopens Monday 19th April.

INSET Day - Friday 30th April - school closed to pupils.

Please do not send your child to school if they are ill. If they have COVID-19 symptoms please advise the school office and book them in for a test.

The school calendar is also available on the school website.

Spotlight in...

This week, the whole school joined together on Teams for their end of term Easter assembly. Each class teacher chose a Well-being Warrior and every class shared their hopes and wishes for the term ahead.

Easter activities from ILEAP

The ILEAP Charity is for people with Additional Needs and operates in South Warwickshire, although anyone is welcome to join no matter where they live.

ILEAP Charity would love for you to join them via Zoom for some super egg-citing Easter activities throughout the Easter holiday!
