

**The Children, Staff and Governors of Stratford Upon Avon Primary School would like to invite you to join them in remembering those who lost their lives during World War 1.**

*On Friday 9<sup>th</sup> November at 1.30pm the children will be performing songs, poetry and drama in commemoration of 100 years since the end of World War 1.*

**Our event will end with our Year 6 children releasing balloons with poppy seeds attached to remember those who once loved and lived our school and our town. Each year our Year 6 children research the names on our war memorial in order to keep them alive in our memories. This year we are committed to finding out the names of those who once may have been part of our school and gave their lives to World War 1 but also survived to return to their families.**

*We would then like to invite you to walk our poppy trail.*

**R.S.V.P by Tuesday 6<sup>th</sup> November 2018**

*We are part of the 'There but not There' project and silhouette installations around our school to remember those whose names are on war memorials around the world.*

*"They shall not grow old, as we that are left grow old,  
Age shall not weary them nor the years condemn,  
At the going down of the sun and in the morning,  
We shall remember them"*
