**'The curriculum is broad, balanced and exciting' – OFSTED 2018**

## Safeguarding

Thursday this week was World Mental Health Day.

Let's encourage our friends, families and our children to talk about their feelings and end the stigma attached to mental health issues.

**On World Mental Health Day, let's talk about mental health.**

**It's #TimetoTalk, it's Time to Change.**

## Year 3 - Heart of England

## Space Week - Year 5

This week is Space week and Year 5 have been continuing to investigate and be inspired by all things Space, including experiments with black holes in science, studying star constellations in topic and writing their biographies about Major Tim Peake in literacy.

**World Space Week** is an annual occasion observed from 4 to 10 October in various parts of the world.

**World Space Week** is officially defined as "an international celebration of science and technology and their contribution to the betterment of the human race". How exciting is that?

For more information please check out [www.spaceweek.org](http://www.spaceweek.org)

## Year 4

Year four have been writing soliloquies this week. We have been imagining that we are Roman Soldiers in a play sharing our thoughts, feelings, worries and dreams with the audience - some lovely, creative writing ensued! In maths we have been securing our knowledge of place value and it wouldn't be a week in year four without a healthy dose of times tables too! As it's the start of Black History Month, we have been retelling the Story of Rosa Parks and the contribution she made to equality in segregationist America. We have also listened to the wonderful voice of Jessye Norman, who sadly died recently but played her part in working for a fairer more equal world.

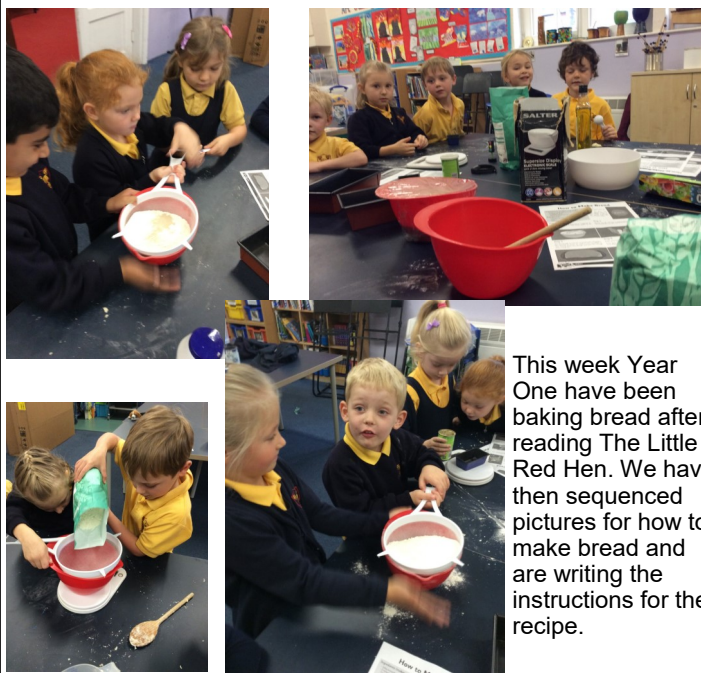

## Football Tournament

On Thursday 3rd October, Stratford Primary Football Team ventured over to Warwick to take part in the English Schools' Football Association (ESFA) 7-a-side Football Tournament. Unlike previous tournaments, this time we were taking two teams: a boys' team and (for the first time in recorded Stratford Primary history) a girls' team!

Take a look at our school website for the full write-up!

## Year 1 - Bread Making

This week Year One have been baking bread after reading *The Little Red Hen*. We have then sequenced pictures for how to make bread and are writing the instructions for the recipe.

## Mad Science - Half Term Halloween Club
