## News from the Headteacher

Despite the heat last Friday we ended the week with a fabulous sports day. All of the children really embraced the challenge of sport and had a great time. Well done to Hall who were our overall winners of the day scoring 119 House points. Arden came second (91), Hathaway third (81) and Shakespeare fourth (63). Brilliant efforts by all. It was really great to see the teachers joining in the house relay and having fun too. A huge thank you to Mr Scarlett and Mrs Fade for organising the day and also for their commitment to after school events such as the recent South Warwickshire Athletics.

The children were very excited on Tuesday when they all moved up a class in preparation for September. We welcomed our new Reception children for the whole day who were extremely confident and stood up in assembly to introduce themselves. They had a fun day exploring the unit, decorating biscuits and meeting their new Y6 buddies. Each class throughout the day completed different activities such as agreeing class expectations, making coat peg/locker labels and transition questionnaires so their teachers can know more about their likes, dislikes and worries.

The local governing body met this week for their final meeting of the academic year. We spent time looking at new learning priorities for 2018/19, the budget, pupil progress and safeguarding. The LGB have had a really successful year and are extremely supportive of the school but still challenge senior leaders to ensure that we are providing the best education for the children. They have been brilliantly led by Mrs Karen Kennedy and on behalf of the whole school I would like to thank all of the governors for doing a great job. We are all looking forward to next year.

If you visited yesterday evening for our showcase then we hope you enjoyed looking at your children's learning, walking the school (especially our Garden of Stories) and visiting your child's new classroom for September. Thank you for all the positive comments received and to all the staff for their hard work in making sure our school shone.

"We keep moving forward, opening new doors, and doing new things, because we're curious and curiosity keeps leading us down new paths".  
Walt Disney

Have a good weekend, keep in the shade.

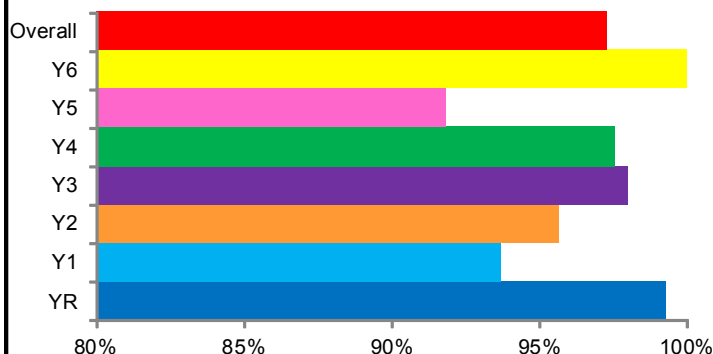

Mrs Humphriss - Headteacher

## Philanthropy in Action

Well done to Isobel J in Year 1, Evie G in Year 3 & Keira G in Year 5 who all took part in Sunday's Race for Life and raised money for Cancer Research.

## South Warwickshire Athletics Final

We took 10 children who were chosen across all Stratford South schools it was a massive achievement to reach the finals. Amal in Year 6 won her 75m sprint by a long distance she came 1st out of all the schools in South Warwickshire, we are proud of all the children for the efforts, we are awaiting official confirmation of the final results from the organisers.

## Fire Alarm Friday 6th July

Today we had an exceptional event, our fire alarm went off unexpectedly. The children and staff evacuated the school extremely quickly and sensibly. The fire service were called and arrived promptly and checked our building. They were very impressed with the children's behaviour and how quickly they vacated the school. The heat caused a fault on our system and everyone is safe and well. We are very proud of how sensible the children were.

## Sports Day Friday 29th June

## Homework Survey Results

## Move Up Day Tuesday 3rd July

Charlie W Y5 into Y6 "It was very adventurous because we are the role models for the rest of the school".

Tyler M Y5 into Y6 "I felt responsible because when we are in Y6 we have to work hard and do our best".

Jack S Y3 into Y4 "I was happy in Year 4 because it's a new year".

Leah T C Year " into Y3 "It felt weird going in the classroom because I'm not used to going to the other side of the school".

Grace A Y1 into Y2 "It was good because everything was very new and it was fun having Miss O'Connell and Mrs Bean".

## Maths challenge for parents

The answer to last week's challenge was 35.

$$\begin{array}{l}
 \text{Apple} + \text{Apple} + \text{Apple} = 30 \\
 \text{Apple} + \text{Banana} + \text{Banana} = 18 \\
 \text{Banana} - \text{Coconut} = 2 \\
 \text{Coconut} + \text{Apple} + \text{Banana} = ?
 \end{array}$$
