

Friday 14th May 2021

The Stratford Standard

Highlights from the SENDCo's desk...

- I can't believe we are only a couple of weeks off half term break already; it has been super busy throughout the school! My SENDCo role involves working with staff, external professionals, children and their parents, and my thinking is constantly driven by how best to support our children with additional needs. We are currently planning ahead for their transitions into the next classes for September, considering what preparations and plans can be started now to enable children to feel safe and know what to expect when they start the next academic year.
- Something I am getting excited about is the annual Music Soiree. Last year we had to have it with recorded performances shared online, but this year I am hopeful that we can return to the wonderful evening of entertainment, live and with an audience. Put 9th July in your diaries for the opportunity to watch a showcase of our children's musical talent!

REMEMBER:

Please send your child in prepared for all weathers!

Heart of England Year 5 - 17th May

Heart of England Year 3 - 18th May

Year 5 Parent Consultations - 18th May

Heart of England Year 4 - 19th May

Year 4 Parent Consultations - 20th May

The school calendar is also available on the school website.

Spotlight in...

This week, Reception and Year 1 have been busy planting their Sunflower seeds and gardening as part of their outdoor learning!

The Reading Nook

Each week we will publish recommended reads for EYFS, KS1 and KS2.

EYFS and KS1

What Do You Do?

With A Tail Like This?

KS2 short read

Dog Man

KS2 long read

Sky Chasers

Second Hand Uniform Sales

Next week we will put the second hand uniform on a clothes rail at the front of the school (weather permitting!) - there will be an honesty box and recommended donations are £1 per item.

Fundraising

On 15th May, Jon (Dad to Thomas in reception) is running a half marathon in aid of Stratford Primary! With just over a week to go he has plotted out a potential route and is feeling ready! Thank you to everyone who has sponsored so far. It is much appreciated. Jon is also hoping to get match funding £for£ from his employer. So the more sponsorship raised the more Jon's employer will donate to FOSP to benefit all our children.

There's still time to sponsor him: www.gofundme.com/f/jons-virtual-half-marathon

Big plans for Broad Street Cygnets... From September 2021 onwards Broad Street Cygnets will be expanding our provision. The nursery (for children 2 years and upwards) will operate **all year round** from **8am to 6pm**. We will however also continue to offer 'term time only' and sessional places.

Over the summer break we will be having building work done, increasing classroom space on the ground floor as we move adult only areas such as the staff facilities and some admin space upstairs.

In addition to the full day care for over 2's we will also offer some holiday cover for our younger Out Of School Club children during the school holidays. Spaces will be available to book for children in Reception class and Year 1.

We will continue to offer the term time before and after school sessions that we currently offer with the options to book until 5pm or 6pm.

For further details please contact Sam Allison email: broadstreet@cygnetsonline.co.uk or telephone: 01789 204181
