News from the Headteacher

Bonjour tout le monde. (Hello everyone) This week we launched our multicultural week and our next Language of the Month. We are studying French and Olan, Myriam and Ines all helped us learn some new words. Stratford Airlines opened for business on Monday morning and announced flights around the world. The children have enjoyed travelling to Australia, Africa, Canada, France and 2 internal flights to Scotland. They have clutched their passports and waited at passport control for entry into the country. Australia was a long flight but when the children got there they learnt all about Aboriginal art, in Africa despite the heat they studied African patterns, Canada was great fun and they made totem poles and explored the different provinces, once they got to France using pasta and other objects the children teamed up to make their own Eiffel towers and in Scotland they have made shortbread, explored tartan and run their own Highland games whilst designing Nessie The Loch Ness Monster. Great fun had by all.

Last Friday and Saturday were absolutely fantastic despite the high temperatures. We had a fabulous sports day on the paddock which was well attended by all of you. Mr Scarlett and Mr Gardner had organised everything and the children enjoyed competing for their team. The winning house will be announced at our final achievement assembly next week as all the points go towards deciding the house cup winners of the year. FOSP did a brilliant job of organising our annual summer fair which was lovely. Everyone who came enjoyed chatting, playing games, eating ice cream, entering competitions and of course throwing sponges at myself, Mr Gardner, Mrs Ferries and Mr Gurdag. It was very refreshing. Thank you for supporting our many events everyone.

Huge congratulations to Mrs Fade who has passed her Higher Level Teaching Assistant Certificate. Over the past year she has gathered evidence, completed assignments and an interview to gain her HLTA. Well done. Also congratulations to Mr Scarlett who has passed his FA Coaching certificate. Again he has completed training and assignments to gain this. We are proud of you both.

On Wednesday afternoon I went to visit Year 6 at PGL Liddington to see how they all were and enjoy some time with them. When I got there they were playing team games and on the zip wire. The sun was shining and the children have been really good at slapping on the sun cream. Mrs McCormack, Mrs Euington, Mr Gardner and Mrs Fade are having a great time, as are the children. The food is delicious and after joining them all for tea I left them playing Robot Wars. Miss White had spent the beginning of the week with them and came back sharing all the exciting things they have been up to. Sorry parents, not much home sickness going on, they are having too much fun!

Thank you so much to the parents who have been helping us in the garden, you have all been absolute superstars supporting the children in planting, weeding and watering. It is starting to look great. The 3 weeks of rain did not help us in preparing the garden but now the sun is out we are all getting out there. If anyone can ever spare anytime to help weed around the school site or sweep or paint benches it is always appreciated.

'The glory of gardening: hands in the dirt, head in the sun, heart with nature. To nurture a garden is to feed not just the body, but the soul.' Alfred Austin

Pups Pilot - Year 3

Year 3 were the next class to have a workshop on dog first aid, this was last Friday. The next classes are Years 1 and 4.

Responsible Dog Ownership - Royal Mail

At least 7 postmen are attacked by dogs every day!

Things to think about at home as the holidays start:

- Please keep your dog inside when mail is being delivered
- Make sure the dog is behind another door if you need to open the front door to accept mail
- Being attacked by a dog isn't the same as in TV or films, it changes peoples lives and sometimes the person can't return to work

If you have any good ideas about how to reduce dog attacks at Royal Mail send an e-mail to emma.tranter@royalmail.com
