

PREVENTING ONLINE GROOMING - KEEPING YOUR FAMILY SAFE

PARENT WORKSHOP – WEDNESDAY 30TH JANUARY 2019

Dear Parents and Carers,

We are offering you the opportunity to take part in workshops to support you in keeping your family safe online. The cyber safety team from the community team in Warwickshire will be delivering this training free of charge.

It is a 2 hour workshop and the following will be covered:

- How young people are groomed online
- How do we keep our young people safe online?
- How do we monitor the websites they are looking at?
- How do parents apply security measures onto young people's devices to keep them safe?
- How can we prevent those we care about from being groomed online?
- Who can I contact for help?

The online world is becoming an increasingly worrying place and so it is important that you understand how you can help your child to stay safe and have fun at the same time.

There are 2 workshops taking place. You only need to come to one of them as it will be the same programme delivered at both. So that we can plan accordingly for each workshop we would appreciate it if you could complete the form below and return by Monday 28th January. Please note this is not suitable for children.

We look forward to seeing as many of you as possible.

Kind regards,

Mrs G Humphriss – Head Teacher

Delete as appropriate: I would/would not like to attend the Preventing Online Grooming Workshop

I will attend – you only have to attend one (please tick) 1pm-3pm ☐ 6pm – 8pm ☐
