Highlights from the Executive Head's Desk...

Welcome everyone to the start of another academic year and what an excellent week it has been, full of greeting new people.

We started the week welcoming our new Reception children. How brave they all were as they stepped through the gate, met their Year 6 buddies and made their way to their new classroom. Welcome to all their families and we hope that the next 7 years at Stratford Primary creates great memories for you all. We also welcomed Lara (Y5), Elin (Y4), Manish & Samuel (Y3) and Simran (Y2) to our Stratford family and also hope they love being with us. Mr Edwards, Miss Postlethwaite and Mrs Parton are our 3 new teachers and it is as if they have always been here. They are bringing great new ideas to our team and are looking forward to the year ahead and all we do.

My heart sang on Monday as we held our first whole school assembly since March 2020. It was wonderful to see all the children and staff together and we enjoyed sharing our summer memories. I was really proud of their behaviour and respect for each other as they shared news. Mrs Withers and I have enjoyed walking the school this week and seeing so much new learning. We can't wait to invite you in again to share lessons with your children and to once more walk our corridors. The school is buzzing once more and there are so many plans in production to fill our days. Enjoy the year ahead and help us create exciting memories.

'Memories are the loveliest things they last from day to day, they can't get lost, they don't wear out and can't be given away.'

A huge thank you from Mrs Humphriss to all those who sponsored her trek for Alzheimers. She completed it in just over 5 hours and said that crossing the finishing line and getting her medal was like winning an Olympic gold. She raised just under £700.

Next year she is aiming for 26 miles!

For Students:

'Asking for Help' Booklet: a handy guide for young people that provides tips on ways to develop positive mental health, and practical advice on how to reach out for help.

stam! Apps:

Calm Harm is a free app to help teenagers manage the urge to self-harm. Calm Harm is based on an evidence-based approach called Cognitive Behavioural Therapy (CBT) which is a form of Cognitive Behavioural Therapy (CBT) and aims to support young people, either as part of on-going treatment or as an interim measure while they wait for specialist help.

Clear Fear is a free app to help young people manage the symptoms of anxiety. Clear Fear uses a Cognitive Behavioural Therapy (CBT) framework to help change anxious thoughts and emotions, alter unhelpful beliefs and calm fear responses.

Mind Meld is a free app to help teenagers manage the symptoms of depression. The app uses principles of Behavioural Activation Therapy to help improve your mood by encouraging you to increase your motivation to carry out a series of tasks in order to help you to move forward, take control and feel positive.

Combined Minds is a free app to help families and friends provide mental health support. The app uses a 'Strength Based' approach which has been shown to be effective in reducing and preventing the people's attitudes of the person and build on resilience and resistance.
